THE EXTERIOR FAÇADE

A spirit of harmony between the old and the new – classical timelessness mixes with modern refinement and small touches of oriental details.

The buildings exude a feeling of romance and charm while celebrating the spirit of travel and adventure captured through seemingly mysterious doorways and corridors beyond.
The Orient Express has history like no other hospitality brand. This history is built on the elegant passages of travel that created passages of time.

These stories deserve to be told through new passages in relevant time. The hotels are constructed and defined by intriguing passages, elegant corridors and modern bridges that bring the guest to discover new stories of their own.
THE GARDEN TERRACE

The garden terrace will inspire guests to dream by taking them to a place they could only once imagine: a vegetal and fantasized orient.

This will be a place for mesmerizing events, including high-end weddings or cocktail parties, or even a casual lunchtime brunch by the pool.
The restaurant’s terrace will allow the flavors and experience to spill into the well-groomed gardens of nature. A smaller bar element and fireplace also make this a perfect area. Purchasing the only remaining train carriages from the legendary Orient Express, guests can also chose to dine within the train car on special evenings under exclusive offering. This will be placed within the restaurant terrace.
GUEST QUARTERS

The guest rooms will be fitted with the luxury of craftsman perfection, adorned with treasures and motifs from exotic regions of travel.

It is the combination of French and Oriental cultures that give the rooms a unique look and feel, while 24 hour butler service caters to the guest(s) every need.
The Ottoman baths reflect a cultural combination, intertwining Orient and Occident into places of extreme indulgence.

In the same way, clients will be offered bathing rituals with multiple influences: thermalism, orientalism and pyreneism, for timeless moments.
The rebirth of this icon draws inspiration from the legendary train aesthetics.

Every single detail invites you to be part of an incredible journey through time and space.
Leather, natural and lacquered wood, Art Deco inspiration and a return to craftsmanship recall the train’s original Golden Era, for a singular art of living.
CRAFTMANSHIP DESIGN

Its unmatched aesthetics and rigorous design showcases fine craftsmanship. Every object has its place and every detail its reason. Rare know-how and noble materials echo the original train’s splendour, creating a permanent experience marked by emotion, exoticism and wanderlust.

Transported by this special sense of style and the promise of radical change from the everyday, Orient Express beckons you to discover another way of travelling, living and seeing the world.
Trunks are part of the history of the legendary train. They not only allowed travelers to take their belongings with them, but also to bring back souvenirs.

Everywhere in the hotel, the trunks serve experiences: they may bring tea, cocktails and even spa treatments in room.
THE GREAT TRANSFORMATION

Each night, at dusk, the hotel reveals itself. The atmosphere changes, becoming sparkling and mysterious: light, smell, even staff uniforms are changing.

As with evenings on board the train, customers are invited to reveal themselves in their most beautiful attire, becoming part of the Orient Express myth.
Combining Orient and Occident traditions, the tea ceremony is a moment of sharing and conviviality evoking the historic route of the Orient Express.

Ritualized, and delivered in a trunk, the Tea Ceremony offers guests an experience of exquisite discovery and total serenity.
ETIQUETTE AND OUTSTANDING SERVICE

Inspired by former conductors and staff, the Orient Express hotels teams, deliver an outstanding luxury service.

Just like their predecessors, the staff will be delighted to help with any request. Every detail will be taken care of, leaving guests an experience centered on the most important: enjoying the moment, without worrying about anything.

ENCOUNTERS OF INSPIRING INDIVIDUALS

In an Orient Express hotel, one can come across an improbable variety of figures. Charismatic, strong and elegant, these characters will be accompanying the guests during their stay.

One of them: the Orientor, who will guide you and will participate in turning your arrival into a pleasant moment.

So many inspiring encounters that will provide thrilling moments, and inspiration for a lifetime.

UNIFORMS: BETWEEN LEGENDARY AND CONTEMPORARY

In December 2017, the release of Kenneth Branagh’s version of “Murder on the Orient Express” shows how vivid the myth is still in people’s minds. Orient Express was naturally an official partner of the movie.

The latter has earned more than $350 million worldwide (on a $55m budget).
