OUR FOUR PASSIONS

Through our passion for live(ly) entertainment, Turkish hospitality, active outdoors and abundant flavours, we create an experience which immerses guests on a journey beyond their destination. Families and friends indulge in our care-free approach. They can think of nothing whilst we think of everything.

Celebrated cuisine, a spirited vibe, a rich program of activities and entertainment and tranquil rituals ensures guests of all ages enjoy a feast for the senses, amazing each guest from day to night.

At Rixos our guests have carte blanche to indulge in it all.
Spectacular shows and breath-taking performances by professional artists and experts mean our breathtaking entertainment is the focal attraction in our properties. Mainly held in outdoor entertainment facilities.

Our programme of entertainment sees more than 800 events, shows and concerts held each year.
Concerts and shows are the most emblematic expression of the Live(ly) Entertainment passion.

Renowned musicians, international DJ’s, dancers, stage designers, sound and lighting experts come together to realise the most breathtaking performances.
Deeply passionate about entertaining our guests, Rixos Festivals are organised to fit the many different tastes of our many different guests. A best practise in the Antalya region is May Fest: an extraordinary party week that is organised every year.

The festivities are spread over multiple locations at our hotels in the region, accessible to both hotel guests and (local) visitors. International artists perform the most incredible shows you have ever seen in a resort.
Deeply rooted in our approach to hospitality are our Turkish origins and traditions. Turkish accents infuse the guest experience from the authentic Hammam at the heart of each Rixos spa to our renowned restaurants proffering delectable feasts of International, Turkish and local tastes & aromas.
We value genuine Turkish hospitality that comes from the heart, creating an intimate and inviting atmosphere for our guests. We understand that each guest harbours unique wishes and desires. Our dedication to providing authentic services and experiences and engaging guests of all ages with our cultural charm means our guests become lifelong friends and return to Rixos again and again.
PASSION: ACTIVE OUTDOORS

FUN - FAMILY
CHALLENGE
REVITALISE

Being active outdoor is a way of life expressed throughout the Rixos experience. From our outdoor & water sports facilities, to improving fitness through our infinite group sports programmes.

Each touchpoint makes certain our guests depart fit and uplifted.
Rixy club offers a privileged all-round experience for children, from 6 months to 17 years old. Making them feel special at every moment of their stay. Education meets entertainment so children can enjoy both meaningful and fun activities.

Enormous waterparks and playgrounds, cosy multimedia rooms, cinemas & special entertainment stages ensure kids’ enjoyment, always under careful supervision of experts.
In each property, Rixos partners with professional trainers and fitness brands, delivering the best outdoor fitness programs in state of the art facilities.
Anjana is Rixos’ Global Spa Concept and will be adopted by all properties in the future. Each spa offers traditional Turkish beauty and wellness rituals as well as treatments from different cultures around the world. This rich multicultural inspiration is also expressed through the décor, blending Turkish design codes with touches of modern elegance.
Rixos offers the best Turkish bath rituals.

Guests are cared for in a traditional décor with beautiful mosaics, where expert hands introduce them to a foam treatment and coarse peeling.
Passion Abundant Flavours

Gustatory Plentiful Delectable

Bountiful buffet tables, unrivalled variety and exceptional quality are hallmarks of our passion for food.
A true immersive experience

Turkish cuisine is celebrated at the Á-la-carte restaurant: typical and reinvented Turkish dishes in an elegant setting blending modern and traditional design with warm and generous service.
Infinity Buffet
Cornerstone of the Rixos F&B experience

In an elegant setting, guests can find a great variety of Turkish, local and international food of the highest quality. The opening hours are flexible to accommodate the rhythm of each guest. Open kitchens offer live-cooking sessions, blending F&B with entertainment. To enhance the experience, a health chef and a baby chef await to take care of all needs.

Discover your Rixosmoments

We use the door metaphor to symbolise opening up from one world to another, to what's new, to excitement, happiness, fun and adventure. The main theme consists of the gates, passageways, doors and similar symbols to refer to the different moments and experiences Rixos offers. It describes the endless services of Rixos and different experiences that you live in different Rixos hotels through a surreal setting.
