Press Release  
Paris - July 31, 2018

## Annual Shareholders' Meeting

(Corrective statement)

Due to an IT issue with BNP Paribas Securities Services application relating to the transmission of voting orders to the centralizing bank of Accor, the quorum and the results of the votes of the Shareholders' Meeting of April 20, 2018 published on the same day on the website of the company are incorrect.

In that respect, the quorum of the previously mentioned Shareholders' Meeting did correspond to **70.37%** of the shares present or represented by proxy.

The corrected results of the votes for each resolution of this Shareholders' Meeting are available on the website of Accor.

The amended data do not have an impact on the quorum to be reached to regularly hold the Shareholders' Meeting nor on the results of the votes of the resolutions.
