Signature of a 1.8 Billion euro syndicated line of credit

As part of the Group's financial optimization process, Accor announced today that it has closed a euro 1.8 billion syndicated line of credit with a group of 18 banks.

The new facility replaces the euro 1.5 billion undrawn syndicated credit facility signed in May 2011, which was scheduled to expire in May 2016. This new five-year facility will lengthen the average maturity of Accor's financial resources, in line with the Group's cautious policy on liquidity management.

The syndication was launched for 1.6 billion euros. It was closed widely over-subscribed, allowing Accor to raise the total amount of the syndicated credit facility up to 1.8 billion.

The success of the operation reflects the renewed market's confidence in Accor and its sound financial situation.

Crédit Agricole Corporate and Investment Bank, BNP Paribas, The Bank of Tokyo-Mitsubishi UFJ LTD and Commerzbank AG acted as global coordinators for Accor. Société Générale was appointed as facility agent.
